Our extraordinary and powerful vision was revealed by God to our founder, Demos Shakarian, during a very special time of prayer. Demos prostrated himself before God on December 26, 1952, recognizing that it wasn't about him, but about God, and that this organization would succeed only through the power of His Holy Spirit. It is for this reason that, inspired by the Holy Spirit, Demos wrote in 1984 that it was necessary to return to our spiritual roots through prayer.

Prayer has been present since the beginning of the fellowship, but God is calling us back to a time when we consulted Him in prayer about everything relevant.

In February 2023 in Kuala Lumpur, our international president, Francis Owusu, was chosen by God through the directors. One of the first instructions the Holy Spirit gave him was to establish the three pillars of this organization, and it was from this foundation that the special ministry of prayer was established.

Since then, as a ministry, we have been working in the six regions that make up the fellowship worldwide. A prayer coordinator was appointed for the regions of North America, the English-speaking Caribbean, Latin America, Europe, Asia Pacific, and Africa. In each region, there are very important prayer activities in which members and leadership participate.

Led by our president, the Global Prayer Day was established in 2025. During that year, we held three 24-hour periods of continuous prayer, with the participation of members and leaders from every nation globally. As an organization, we presented ourselves before God in one spirit, seeking His will.

God is calling us to receive the priestly anointing of Daniel, every member of the fellowship, so that, understanding the current times and knowing the prophecies that have come from God concerning our organization, we may all unite in intercessory prayer so that the perfect plan He has for every nation in the world may become a reality.

Establishing a chapter in every nation of the world is a mandate from God for our organization, and the first step to achieving this is entering into a new level of intimacy with Him through prayer. God has given us the authority to tear down every evil spiritual structure that has arisen in different nations and that hinders His plans. It is time to unite in one spirit as an organization and prepare the ground where God is commanding us to establish chapters so that they may be the seed for that nation be saved and so that millions upon millions of people may receive the greatest gift anyone can have: eternal life with Christ.
